

Base Ball.

BROOKLYN NINE VS. NEW-YORK NINE—NEW-YORK VICTORIOUS.

The great Base Ball Match between the selected nines from the New-York and Brooklyn clubs took place yesterday on the Fashion Race Course, Long Island, and resulted in a glorious victory for New-York, it being the conquering game of a home and home match.

The Brooklyn Nine, however, although beaten, were not disgraced, as their celebrated catcher, Mr. Masten, was absent, and his position was not so well filled. The New-Yorkers were in fine feather when they found that Masten was absent, and their stock immediately went up to within forty per cent. of par—considerable betting, the odds on Brooklyn, taking place over the ground even after Masten's loss was made known. The New-Yorkers played throughout a very spirited game. THORN, a swift pitcher and good bat, played exceedingly well. VAN COTT the former excellent pitcher, being lame, was unwilling to risk the match by playing. GELSTON at short, and WADSWORTH at first base, played finely. All the other positions in the field, and on the bases, were well filled. But DE BOST excelled himself as catcher. The fielding was far before that of Brooklyn, and the batting much better and more fortunate. Some four or five thousand visitors were on the ground. After the match cheers were given on both sides, and the players and friends were entertained by the Committee, who had provided a liberal collation.
